

March 2022

Thank you. Your generosity this past year toward the Port Edwards Education Foundation has been exemplary! Thanks to an enjoyable and successful golf outing and YOUR contributions, we were able to raise \$22,446 last year. While we had fewer grant proposals than in years past, we were pleased to fund six thoughtful and well-written grants.

An early mission statement I came across states that PEEF was being created to fund grants that, "prepare students to lead productive and rewarding lives in a dynamic world through exceptional learning opportunities." That is what we've done in the past, and with your continuing support, plan to do well into the future.

Thanks to your generosity, to the hard-working staff, administration and students of the Port Edwards School District and to the foundation's all-volunteer board for doing - to paraphrase Theodore Roosevelt -what you can, with what you have, where you are, and I would add, doing it well!

Once again, we're looking forward to having you join us for our 16<sup>th</sup> annual Blackhawk golf scramble on June 20, 2022, at Lake Arrowhead's Pines course.

Sincerely,

Corey Searles, Board President
