

16th Annual Port Edwards Education Foundation BLACKHAWK SCRAMBLE

Another very successful golf outing was held under beautiful skies on June 20, 2022.

Following registration and an opportunity to sign up for wonderful prizes, golfers were welcomed to Lake Arrowhead Pines Course by Corey Searles, President of the Port Edwards Education Foundation. A great time was held by all.

Many thanks to everyone who donated prizes, sponsored holes, golfed or worked at the event. Together you have helped fund grants in the next year that will add an extra spark to the learning environment for the Port Edwards students.

Winning Team:
Anthony Dakle, Eric Pahl, Randy Pahl, Ken Porter
