Dear Friends of the Foundation,

For the past 27 years, the Port Edwards Education Foundation (PEEF) has been providing money to enhance creative and diverse educational experiences for Port Edwards students. To date, the Foundation has provided grants totaling \$321,316 for this purpose. This year, because of the generous support from our donors and the Golf Scramble, the Foundation has been able to award funds for the following five grants:

- Creative Life-Writing Project/Collaborative Children's Book
- Woodcarving Wonders
- Yoga/Recovery Package
- Beginning to Intermediate Strings
- Ironworker Machine and Tooling

It is through our fundraising campaign each fall and the Golf Scramble each summer that we are able to provide these grants. The Foundation is deeply appreciative of the time and effort put in by staff to write the grant proposals that provide so many wonderful enrichment activities for Port students. We are equally appreciative of you, our donors, whose generosity helps fund these grants.

We thank you for your past contributions and hope you will continue to support us this year and in the future. With your help, we promise to continue our efforts to provide enhanced learning experiences for the students of the Port Edwards School District.

Sincerely,

Corey Searles,
PEEF President
