

17th ANNUAL BLACKHAWK SCRAMBLE

Another very successful golf outing was held under beautiful skies on June 19, 2023.

Golfers enjoyed great golfing at Lake Arrowhead Lakes Course with lots of visiting, laughter and memories. Many thanks to everyone who

donated prizes, sponsored holes, golfed or worked at the event. Together you have helped fund grants in the next year that make the Port Edwards School District truly special.

Shown are the top three teams.
