

18th ANNUAL BLACKHAWK SCRAMBLE

Another great golf outing is in the books! Lake Arrowhead was in pristine condition for our outing held under blue skies on June 24, 2024.

From the start at registration ... to the putting green ... to the driving range ... to the social and dinner, there was lots of visiting, laughter and memories.

Many thanks to everyone who donated prizes, sponsored holes, golfed or worked at the event. Together you have helped fund grants in the next year that make the Port Edwards School District truly special.
