*Improving America's Future...
One Student at a Time*

It is the policy of the Port Edwards School District that no person may be denied admission to any public school in the district or be denied participation in, be denied the benefits of, or be discriminated against in any curriculum, co-curricular, pupil service, recreational, career and technical education classes or other program or activity regardless of race, religion, political affiliation, sex or sexual orientation, age, national origin, handicap, pregnancy, marital or parental status, ancestry, color, creed, physical, mental, emotional or learning disability, arrest or conviction record, membership in the National Guard, state defense force or any other reserve component of the military forces of the United States or Wisconsin, or any other reason prohibited by state or federal law.

The district encourages informal resolution of complaints under this policy. A formal complaint resolution procedure is available to address allegations of violations of the policy of the Port Edwards School District.

For assistance, please contact James Bena, Non-Discrimination Compliance Officer, at 801 Second Street, Port Edwards, WI 54469 or call 715-887-9000, ext. 102.

Blackhawk Bulletin is an official publication of the Port Edwards School District, offering news, announcements, and details of upcoming events. The school district welcomes newsletter contributions, comments, questions, and suggestions.

Striving for Success in 2023-2024

Submitted by: James Bena, Superintendent & 4K-5 Principal

Welcome back to all students, families, and staff for what will certainly be an incredible year of growth and learning in the Port Edwards School District! While our staff members have taken some time to rest and recharge over the past few summer months, members of the Port Edwards faculty have also been working on a variety of professional development programs and our summer staff has been diligently working to make sure that our incredible buildings and grounds remain as some of the best maintained in Wisconsin.

The beginning of each school year is an opportunity to “reset” our thinking and goals. Just as some people use January 1 as a time to set personal goals, the beginning of the school year is an excellent time to help our students identify goals for the school year. While everyone seeks success through goal setting, the road to achieving them can sometimes be blurry, or not appear to be present at all. In his recent book, *Make Your Bed*, former Navy SEAL Admiral William H. McRaven provides some of his personal insights into achieving success in any aspect of life.

A few of Admiral McRaven’s recommendations are as follows:

1. **You can’t go at it alone.** While we are able to accomplish much by ourselves, identifying and embracing the importance of teamwork is vital to long-term success.
2. **Only the size of your heart matters.** Demonstrating character through our actions, respecting ourselves and others, persevering through hard times, and other acts of personal strength are more important than physical strength.
3. **Embrace failure as a part of growth.** Recognizing that failure is not a reflection of us personally, but rather something to learn from, will help us persevere when we don’t have the right answer immediately.
4. **Go after challenges with confidence.** Embracing things that we’re not comfortable with, but are ultimately beneficial, will teach us to overcome our fear and tap into unknown potential.
5. **When things look their bleakest: smile.** Our attitude and perspective play a large factor in determining our quality of life. Finding joy and practicing a positive attitude, even when it’s very challenging to do so, will help our overall attitude.
6. **Never, ever, ever give up.**

While it is aspirational to want to complete everything on a list, achieving all six of these steps each day is unlikely. The more that we can do, however, as challenging as they can feel sometimes, the more likely our children will experience success both in the short and in the long-term.

In closing, I would like to remind our families that the Port Edwards School District practices an “open door” policy: if you ever have questions or concerns, please feel free to reach out to your child’s teacher or building principal. Thank you for the opportunity to work with your child each day, and I would like to wish the students and families of the Port Edwards School District an enjoyable, positive and successful 2023-24 school year.

MIDDLE/HIGH SCHOOL NEWS

Submitted by: Donna Shroda, 6-12 Principal

The summer months are always very productive with maintenance and clerical work but it is all in preparation to open the doors for our students to walk through and make the building come alive! The 2023-2024 school year will begin Tuesday, September 5th at 8:00 am.

In the next couple of weeks, the school will start buzzing with athletes on the field and the gymnasium, we will hear music coming from the music rooms, and teachers will start preparing their classrooms. There will also be orientations for our new sixth graders entering the Middle School building and the Freshman starting their high school careers. The middle school student council leaders, under the leadership of their advisor, Mr. Hintz, organized the activities for the 6th-grade orientation. The agenda includes a meet and greet with the teachers, a scavenger hunt of the building, and a question and answer session. 6th graders should arrive at 9:00 am on August 15th. Freshmen, along with their parents, are invited to an orientation on August 17th at 7:00 pm in the cafeteria. Ms. Moore, HS counselor, and myself will share information on academic career planning, scheduling opportunities, and success stories.

Make sure you have our annual 'Back to School Tailgate Night' on your calendars which is Tuesday, August 29th from 4:30-6:30 pm. Once again high school student council members, with advisor Mr. Van Dehy, will be grilling in the parking lot. Students are able to organize their supplies in their lockers and teachers are available in their rooms for a meet and greet. We encourage students to physically walk their schedule so they know where their classes are for day one. Jostens will be in the gym taking pictures for each student's school ID, with picture packages also available. Chromebooks will also be available in the library to check out that evening with the necessary forms completed.

While the sun starts setting earlier, it is a good time to start a school routine. Preparing students for school sends a message to children that school is important and it's their job. Have an early discussion about the upcoming school year. When home emphasizes the importance of school attendance, a positive attitude, and good study habits students understand their education is a team approach. In advance, thank you for being part of that team! Enjoy the last couple of weeks of summer.

A graphic with the text 'Welcome Back' in a black, cursive font. The word 'Welcome' is on the top line and 'Back' is on the bottom line. There are decorative flourishes on either side of the word 'Back'. The background is a light blue and pink gradient.

Notes from the Nurse

Submitted by: *Katie Bortz, CESA 5 School Nurse*

I hope this newsletter finds you enjoying the heat of summer and finding some time to relax with your family. It is hard to believe that school registration and the start of the year is not too far away. **I wanted to use this newsletter article to share a few important reminders and updates:**

As usual, school registration will be completed online. Unfortunately, the only health related form that can be included with online registration is the school provided medication form. If you remember, this was a new service we provided to families last year. School provided medications allows any student, with parental consent, to receive tylenol, ibuprofen, antacids or cough drops as needed on a limited term basis. Any other medical forms your child may need can be accessed on the school website, by stopping in at the school and requesting a hard copy or emailing myself directly. Please contact me prior to the start of the school year if you have any questions or need assistance with these forms.

All medical forms must be completed annually. This includes any type of medication, procedure, health plan or physician order.

I have not yet finalized my day in the district this school year, but please know that even on days I am not in person at PESD, I am always available by phone or email.

Enjoy the rest of summer break and see you all soon!

Immunization Updates:

As a reminder, there were changes to Wis.Admin.Code ch DHS 144, Immunization of Students. The only significant change is that the dose of Tdap typically required for entry to 6th grade, will now be required for entry into 7th grade. You should have received a notice from me if your current 6th grader was behind on required vaccinations in the last few weeks. Unfortunately, if you signed a waiver for your former 6th graders Tdap - you will need to sign a second waiver as this is considered a new dose of vaccine. More information will follow as the school year kicks off.

16th Annual PEEF BLACKHAWK SCRAMBLE

Another very successful golf outing was held under beautiful skies on June 20, 2023. Golfers enjoyed great golfing at Lake Arrowhead Lakes Course with lots of visiting, laughter and memories. Many thanks to everyone who donated prizes, sponsored holes, golfed or worked at the event. Together you have helped fund grants in the next year that make Port Edwards School District truly special.

Shown are the top three teams!

PORT EDWARDS ED HEUER ELEMENTARY SCHOOL

Back-To-School Night

Mark your
calendars!

Tuesday, August 29, 2023
3:30-5:30 p.m.

The Port Edwards K-5 faculty is looking forward to getting students, parents and teachers together to make sure the year gets off to a great start. This will be a great chance for us to reconnect and prepare for a terrific school year. Classrooms will be open for students and their parents to meet their teacher, see their new classroom, and bring in school supplies.

JEHS Student Council members will be hosting a free cookout dinner in the cafeteria for those wanting to grab a bite to eat! Hotdogs, chips, cookies and lemonade will be served.

4K OPEN HOUSE – Tuesday, August 29th 3:30-5:30 p.m.

4K students and their families are invited to attend an Open House at the **YMCA**. Visit the classroom and get acquainted with your teacher. 4K staff members are looking forward to meeting you and will answer any questions you might have.

John Edwards Middle/High School

Tuesday, August 29th, 4:30-6:30pm

We are anticipating a great school year!

- ◇ A tailgate party will be held in the parking lot with music, bags and good company
- ◇ Grills will be fired up for dinner
- ◇ Students can meet and greet their teachers
- ◇ Students should plan to bring their supplies and organize their lockers.
- ◇ Come check out the clean, shining building!

Student Pictures

By Jostens Yearbook

Students will have their individual pictures taken in the large gym.

Photos are required for student ID's.

Families may purchase picture packages online—see flyer.

Picture re-takes will be available October 4th, 2023.

*Please note the correct school code on the flyer for ordering MS photos and HS photos.

STUFF THE DESK

East Junior High School, 311 Lincoln St., Wisconsin Rapids

Pick-up line on back side of school on 6th St. S.

AUGUST 18TH & 19TH, 2023

HOW TO PARTICIPATE:

- Students must pre-register from May 1-August 3, 2023
- Pre-register online by scanning QR Code or visit uwsnac.org
- To pre-register by phone, dial 2-1-1 (or 877-947-2211)
Monday through Friday between 8:00am - 5:00pm
- There will be eight time slots to select from (5 time slots Friday & 3 time slots Saturday)
- Participants will be able to select their time slots on a first-come, first-served basis
- In early August you will receive a postcard reminding you of your time slot

Stuff the Desk Committee Partners:

ANNUAL NOTICES

District Asbestos Plan

In compliance with the United States Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA), this is notice that the Port Edwards School District has an Asbestos Management Plan at the school district office. The plan is available for inspection by the public, parents, and district employees. The district performs six month periodic surveillance of asbestos in March and September and full re-inspections every three year. For more information, please contact the district office.

District Indoor Environmental Quality Management Plan

The Port Edwards School District would like to inform staff, students, parents and the public of the district's indoor environmental quality (IEQ) management plan. The plan was initially developed in 2013 and is reviewed as necessary. The plan was developed as deemed appropriate for the district. Questions and concerns should be directed to the IEQ Coordinator. Copies of the plan are available at the district office for a fee. The district office is located at 801 2nd St., Port Edwards, WI 54469.

Smoking on School Grounds Prohibited

The use of tobacco products on school premises is prohibited by state statutes and board of education policy. This includes buildings and all grounds, including athletic facilities. Smoking or other use of tobacco and nicotine products is prohibited at all school activities including football, baseball, softball, cross country, and track events. Look-alike products, such as but not limited to e-cigarettes, are also prohibited. Adults who violate these rules will be asked to stop the practice or leave the premises. Students who violate these rules by use or possession of tobacco will face disciplinary action by the administration according to rules outlined in the student handbook.

Right to a Free and Appropriate Public Education

Every child in the country has the right to a free public education—without exception. Not only is it an American tradition it's the law of the land. "Every" child includes the child

with a special problem or "handicap". A handicap may be due to a physical, mental, emotional, or learning problem. In addition, homeless children and youth must have equal access to the same free, appropriate public education provided to other children residing in the district and be provided with comparable services. Homeless children/youth cannot be required to attend a separate school or program for homeless children and must not be stigmatized by school personnel.

The School District of Port Edwards, in compliance with state and federal laws, periodically attempts to identify all children in the district through the age of 21 who appear to have exceptional educational needs and who may not be receiving special educational help available from the school system. Please read the following three questions. If your answer is "yes" to any of these questions, your child may be eligible for special help to improve his or her learning:

- Do you have a preschool child who seems to have many problems with physical development, vision or hearing, emotional/behavioral adjustment, speech or language, or learning in general? (These services may be provided to children who are not yet of school age.)
- Do you have a child presently enrolled in school who appears to have severe learning problems, but is not receiving adequate special help at school?
- Do you have an older child, under twenty-one years of age, who had many learning problems during school, but dropped out of school before high school graduation?

Your child might qualify for special educational services to help him/her learn as well as possible. Such services would be available through the school system at no cost to you. If you feel your child might need special help in order to obtain an appropriate education, please telephone one of the following person:

James Bena, Superintendent
715-887-9000, ext. 102

If you contact the district, the information you provide will be treated confidentially, and will be used to help determine whether your child might be helped through use of an Exceptional Education program. If any

special program is recommended, the program recommendations will first be discussed with you, and you will be asked for your written permission to enroll your child.

Educational Records

Federal law requires that the district annually state the district policy regarding the release of student records. The district policy is as follows:

- Parents, guardians, and adult age of students have the right of access to each education record that the school district keeps on that student.
- The school has a written covering access, maintenance and disclosure of these records. A copy of this policy may be obtained through the superintendent's office.
- The school may disclose "personally identifiable information known as directory information (name, address, telephone, date & place of birth, major field of study, activities, sports, weight & height for programs, dates of attendance, photographs, degrees and awards received and the name of the school most recently/previously attended) without obtaining parental or adult-student permission, unless the school superintendent is requested in writing not to release specified directory information. The written request must be received in the superintendent's office within ten days of filing this notice. Directory information includes the following examples; press releases, athletic programs, which may include personal statistics, scholastic and social achievements.
- Parents/guardians or adult students have the right to file a complaint with the Family Policy Compliance Office of the U.S. Department of Education alleging district noncompliance with FERPA requirements.
- School Districts are required to make student records available to "law enforcement officers who are individually designated by the school board and assigned to the school district, in addition to district employees who are required by the DPI to hold a license, and to other school district officials who have been determined by the school board to have legitimate educational interests, including safety interests, in the records.

Human Growth and Development

The Port Edwards School District will include instruction in physiology and hygiene, including instruction on sexually transmitted diseases, in its high school curriculum. Instruction in human immunodeficiency virus and acquired immunodeficiency syndrome (AIDS) may be included in the K-12 human growth and development instruction. Parents may inspect the actual curriculum and instructional materials by contacting the district curriculum coordinator:

James Bena, 715-887-9000

Parents/guardians may file a written request to have their child exempted from instruction in human growth and development. However, this does not exempt the child from the state requirements to receive instruction in physiology and hygiene, sanitation, the effects of controlled substances and alcohol upon the human system, symptoms of disease and proper care of the body.

Electronic Communication Devices

Student use and possession of pagers, cellular telephones or other electronic communication devices on school premises as well as those owned or rented or under the control of the Port Edwards Public School District shall be used within the guidelines of the School Board Policy. Students violating this policy shall be disciplined in accordance with established procedures.

Religious Accommodations and the Curriculum

The Port Edwards School District recognizes the right of parents to inspect instructional materials and to deny their child's participation in certain curricular activities. The District also recognizes that reasonable accommodations with regard to examinations and other academic requirements may have to be made from time to time because of a student's sincerely held religious beliefs. Requests regarding the above may be made to the building principal. If a parent/guardian is not satisfied with the principal's decision, he or she may appeal to the Superintendent, and if necessary to the Board of Education.

Early College Credit Program

Students attending Port Edwards School District in grades 9 through 12

are eligible to participate in the Early College Credit Program (ECCP). Students may be able to take courses from Institutions of Higher Education (IHE) such as UW system, tribally controlled colleges and private nonprofit IHE. Students may take courses in the fall, spring and summer semesters. Students may take courses throughout their high school career, but are limited to 18 college credits under ECCP. Applications deadlines are March 1-for fall semester, October 1-for spring semester and summer course application deadlines do not have a specific deadline. Students will be notified of the status of their application before the beginning of the semester in which the student applied to be enrolled. The IHE must admit a student if space is available and the student meets the requirements and prerequisites for the course. The district will deny high school credit if the course doesn't satisfy a high school graduation requirement or if the district offers a comparable course. Students may appeal this decision to the State Superintendent of Schools within 30 days of that decision. Costs for the program may be shared between the following entities depending upon the circumstances and as outlined by state law: the District, the State, the IHE and the pupil. Students/parents are responsible for transportation, but for families who meet need requirements, funding may be available from the State.

START College Now

Students attending Port Edwards School District in grades 11 through 12 are eligible to participate in the Start College Now. Students may be able to take courses from Wisconsin technical colleges. Students may take courses in the fall and spring semesters. Students may take courses throughout their high school career, but are limited to 18 college credits. Applications deadlines are March 1-for fall semester, October 1-for spring semester. Students will be notified of the status of their application by November 15-for spring semester and by May 15-for fall semester. The technical college may admit a student if space is available and the student meets the requirements and prerequisites for the course. The district will deny high school credit if the course doesn't satisfy a high school graduation requirement or if the district offers a comparable course. Students may appeal this decision to the state superintendent within 30 days. Costs

for the program are the responsibility of the District so long as the course(s) taken are not comparable to District offerings. Students/parents are responsible for transportation, but for families who meet need requirements, funding may be available from the State.

Compulsory Student Attendance

Except as provided by State Statute and unless the child is excused or has graduated from high school, any person having under their control a child who is between the ages of 6 and 18 years shall cause the child to attend school regularly during the full period and hours, religious holidays excepted, that the public or private school in which the child should be enrolled is in session until the end of the school term, quarter, or semester of the school year in which the child becomes 18 years of age. WI Act 41 requires a child who is enrolled in 5-year-old kindergarten in a public or private school to regularly attend kindergarten during the school year. With certain exceptions, the law also requires a child to complete 5-year-old kindergarten as a prerequisite to being admitted to first grade in a public school. A parent or guardian may excuse a child from school attendance for not more than ten (10) school days in a school year. Such absences include, but are not limited to: injury/illness, medical/dental appointments, family vacations, college visits, etc. The parent/guardian is to provide the school with a written (or verbal) excuse for each absence including the date of the absence, the number of days absent, and the reason for the absence before the absence is to take place. A student is considered truant from school if he/she is absent from school for part or all of one or more school days during which the school has not been notified of the cause of such absence by the parent/guardian and/or the absence is in excess of the ten (10) approved absence days allowed by law and is not a school approved absence. A student is considered a habitual truant if he/she is absent from school without an acceptable excuse for part or all of five or more days on which school is held during a semester. The parent/guardian of a student who is at risk of being a habitual truant shall be notified by mail. Legal proceedings may be brought against a student for habitual truancy or against the parent/guardian for failure to cause the student to attend school regularly.

Student Nondiscrimination in Relation to Career and Technical Education

Students, parents/guardians, employees and general public be advised that all career and technical education opportunities will be provided on a nondiscriminatory basis and will be subject to the District Nondiscrimination and Access to Equal Education Opportunity Policy (policy #2260)

Student Nondiscrimination and Access to Equal Educational Opportunity

Port Edwards School District is committed to providing an equal educational opportunity for all students in the District.

The District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student program and activities. This policy is intended to support and promote nondiscriminatory practices in all District and school activities, particularly in the following areas:

- A. use of objective bases for admission to any school, class, program, or activity;
- B. prohibition of harassment towards students and procedures for The investigation of claim (see Policy 5517);
- C. use of disciplinary authority, including suspension and expulsion authority;
- D. administration of gifts, bequests, scholarships and other aids, benefits, or services to students from private agencies, organizations, or persons;
- E. selection of instructional and library media materials in a nondiscriminatory manner and that reflect the cultural diversity and pluralistic nature of American society;
- F. design and implementation of student evaluation practices, materials, and tools, but not at the exclusion of implementing techniques to meet students' individual needs;
- G. design and configuration of facilities;
- H. opportunity for participation in extra-curricular and co-curricular activities, provided that separate programs for male and female students may be available provided comparable activities are made available to all in terms of type, scope, and District support; and the

school lunch program and other school-sponsored food service programs. The District is also committed to equal employment opportunity in its employment policies and practices as they relate to students. The Board's policies pertaining to employment practices can be found in Policy 1422, Policy 3122, and Policy 4122 - Nondiscrimination and Equal Employment Opportunity.

Students, parents and all other members of the School District community are encouraged to promptly report suspected violations of this policy to a teacher or administrator. Any teacher or administrator who receives such a complaint shall file it with the District's Compliance Officer at his/her first opportunity.

Students who believe they have been denied equal access to District educational opportunities, in a manner inconsistent with this policy may initiate a complaint and the investigation process that is set forth below. Initiating a complaint will not adversely affect the complaining individual's participation in educational or extra-curricular programs unless the complaining individual makes the complaint maliciously or with knowledge that it is false.

Access to Students by Military Recruiters, Prospective Employers and Post-secondary Institutions

Federal law mandates the release of the name, address and telephone number of your child to military recruiters, prospective employers or institutions of higher learning. It is the policy of the Port Edwards School District that military recruiters, prospective employers and post-secondary institutions will be allowed access to its students, with the exception of those students who have themselves filed an objection, or whose parent has filed an objection on their behalf. If you do not want your child's name, address, telephone listing or electronic email address provided to military recruiters, prospective employers, or institutions of higher education, an objection to the release of such information must be on file in the JEHS School Counseling office. Copies of the objection form will be provided to students.

Programs for English Language Learners

The Board of Education of the Port Edwards School District recognizes that within the district there may be children whose primary language is not English. With that in mind, the Board shall

provide appropriate services for district students who possess limited or no command of the English language. The purpose of these services will be to help students acquire English language skills that will enable them to function successfully in an all English classroom and to meet established academic standards.

Specialized instructional materials and techniques designed to teach English to speakers of other languages shall be used in the district. The degree of curricular and instructional modification, type of support services, and their duration shall be determined individually and be based on student need. If a sufficient number of the limited English proficient students identified are of the same language group to meet statutory requirements, a bilingual-bicultural education program will be established.

Education of Homeless Children and Youth

The McKinney-Vento Act defines homeless children/youth as:

Children and youth who lack a fixed, regular, and adequate nighttime residence, and includes children and youth who are:

- sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason
- living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations
- living in emergency or transitional shelters
- abandoned in hospitals
- living in a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings
- living in cars, parks, public spaces, abandoned building, substandard housing, bus or train station, or similar settings
- migratory children who qualify as homeless because the children are living in circumstances described above

If you are personally away of or acquainted with any children or youth who may qualify according to the above criteria, the Port Edwards School District provides the following assurances to parents and guardians of the homeless children and youth unaccompanied homeless youth:

- The child or youth shall be immediately enrolled and allowed to fully participate in school, even if unable to produce records normally required for enrollment (e.g., academic records, immunization and other required health records, proof of residency, or other documentation) or has missed application or enrollment deadlines during any period of homelessness.

- Homeless children and youth are not stigmatized or segregated on the basis of their status as homeless and have full and equal educational and related opportunities.
- Meaningful opportunities to participate in the education of their children including special notices of events, parent-teacher conferences, newsletters, and access to student records.
- Immediate enrollment and transportation to the school of origin. "School of origin" means the school that a child or youth attended when permanently housed or the school in which the child or youth was last enrolled, including a preschool.
- Written explanation of any decisions related to school selection or enrollment made by the school, the local educational agency, or the State educational agency involved, including the rights of the parent, guardian, or unaccompanied youth to appeal and receive prompt resolution of such decisions.

Please contact [Heather Lisitz](mailto:Heather.Lisitz@pesd.k12.wi.us), homeless liaison for the Port Edwards School District, at 715-887-9000 or lisithe@pesd.k12.wi.us for additional information about the rights and services described above.

Student Locker Searches

Students will be assigned locks and lockers by the school. Lockers are the property of the school and are not under the exclusive control of the student. Lockers may be inspected and searched at any time by the school or other authorities. If illegal substances or contraband is found, the matter will be referred to proper legal authorities. Use of canine units to inspect lockers will take place periodically at the discretion of school administration. Additional information can be found in the student handbook.

Student Privacy

To ensure the privacy of its students, the Port Edwards School District will notify parents when the following activities are scheduled or expected to be scheduled:

1. Activities involving the collection, disclosure or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose).

2. The administration of any survey containing one or more of the following items:
 - a. political affiliation or beliefs of the student or the student's parents;
 - b. mental and psychological problems of the student or the student's family;
 - c. sex behavior or attitudes;
 - d. illegal, anti-social, self incriminating or demeaning behavior;
 - e. critical appraisals of other individuals with whom students have close family relationships;
 - f. legally recognized privileged or analogous relationships such as those of lawyers, physicians and ministers;
 - g. religious practices, affiliations or beliefs of the student or student's parent; or
 - h. income, other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program.
3. Any non-emergency, invasive physical examination or screening that is: (a) required as a condition of attendance, (b) administered by the school and scheduled by the school in advance, and (c) not necessary to protect the immediate health and safety of the student or other students.

Teacher Professional Qualifications

As a school receiving Title I funds, our parents are entitled to request and obtain information regarding:

1. The professional qualification of their child's classroom teacher, including the following: (a) whether the teacher has met state licensing criteria for the grade level(s) and subject area(s) taught; (b) whether the teacher is teaching under emergency or provisional status through which state licensing criteria have been waived, and © the undergraduate degree major of the teacher, and any graduate certification or degree held by the teacher, including the field of discipline of the certification or degree.
2. The professional qualifications of paraprofessionals providing instructional related services to their child.

Education for Employment/ Academic and Career Planning Service Program

Education for Employment is integrated into the Port Edwards School District curriculum and includes career awareness at grades K-5, career exploration at grades 6-8, and career planning and preparation at grades 9-12. In addition, parents will receive multiple opportunities during each school year to participate in their student's academic and career planning. More information regarding Education for Employment and Academic and Career Planning is available through School Counseling Department at 715- 887-9000.

School and District Performance Reports

Each year, public school districts in Wisconsin are required to share student achievement data. Multiple measures of student learning are used to measure school performance and student achievement. Access to student achievement data compiled by the District and the Department of Public Instruction on assessments, attendance, discipline, graduate rates, truancy, drop outs, retentions, academic course work and financial information may be found by visiting the Wisconsin District & School Performance Reports webpage at <https://apps2.dpi.wi.gov/sdpr/spr.action>. Links are also available through the www.pesd.k12.wi.us webpage by clicking on the "District" tab, then "Legal, Public and Parent Notices" tab. If you do not have Web access, contact the District administrative office at 715- 887-9000 to request specific information or data you are interested in.

Student Assessments

The State of Wisconsin Student Assessment System (WSAS) is a comprehensive statewide program designed to provide information about what students know and are able to do in core academic areas. Information on both state and district annual assessments (including the subject matter assessed, the purpose of the assessment, the source of the requirement for the assessment, and, when available, the assessment schedule and format for disseminating results) are available through the www.pesd.k12.wi.us webpage by clicking on the "District" tab, then "Legal, Public and Parent Notices" tab. Parents will also be notified of specific assessment information prior to each test administration via building newsletters and websites.

Parents may request information regarding state or local school district policy regarding student participation in any mandated assessments by contacting the School Counseling Department at 715-887-9000. Parents may opt their student out of a state or district assessment by submitting a written request to the building principal per Wis. Stats. 118.30 (2)(b)3. This request may come at any time during the testing window. All students excused by parent opt-out are marked as "not tested" students in school and district reporting determinations.

District Compliance Officers

The following individuals to serve as the District's "Compliance Officers" (hereinafter referred to as the "COs").

James Bena
4K-5 Principal
715-887-9000
801 2nd Street, Port Edwards,
WI 54469
benaja@pesd.k12.wi.us

Donna Shroda
6-12 Principal
715-887-9000
801 2nd Street, Port Edwards,
WI 54469
shroddo@pesd.k12.wi.us

Medication in School

The State Law states no medication can be provided by the school district. Parents/guardians must bring all medication from home in its original container with the name, dosage appropriate for your child's age and in a sealed container with your child's name labeled on the package or bottle. This law includes both prescription and over-the-counter medications, including cough drops.

- ALL OVER-THE-COUNTER MEDICATIONS require a signed parent/guardian consent form for over-the-counter medication in the school before their child can be given the medication.
- ALL PRESCRIPTION DRUGS require a parent consent AND a physician's consent on file for your child to receive the medication in the school.
- Medications will not be given unless these requirements are met.

Forms can be accessed on the nurse's web page or the office. Please make sure you take or request a form any time your child goes to the doctor. When taking your child to the doctor, always request a physician's consent to give medication in school and a doctor's excuse for the absence. If these completed forms are not on file in the nurses' office, you will be called and asked to come to school to give the medication until these requirements are completed. All long term medications are required to have a new consent form filled out on a yearly basis according to the Wisconsin State Law.

All questions can be directed to the School Nurse, at 715-887-9000 ext. 202. Required medication forms can be obtained from any of the school offices. Please obtain these forms and take them to your doctor to be filled out so there will be no delay in medicating your child at school.

Meningococcal Disease Information

Public health authorities recommend that teenagers and college-bound students be immunized against a potentially fatal bacterial infection called meningococcal disease, a type of meningitis.

The Centers for Disease Control and Prevention (CDC) and other leading medical organizations recommend routine meningococcal immunization for adolescents during the preadolescent doctor's visit (11- to 12-year-olds), adolescents at high school entry (15- year-olds) if they have not previously been immunized, and for college freshmen living in dormitories. Meningococcal disease is a rare but potentially fatal bacterial infection that can cause severe swelling of the brain and spinal cord (meningitis) or a serious blood infection (meningococemia).

The disease can be transmitted through close contact with an infected person by way of respiratory and/or oral secretions (for example, through sharing drink containers or kissing). Meningococcal disease strikes up to 3,000 Americans each year; nearly 30 percent of these cases are among teenagers and college students. Meningococcal disease can be misdiagnosed as something less serious, because early symptoms like high fever, severe headache, nausea, vomiting and stiff neck are similar to those of common viral illnesses. The disease can progress rapidly and can cause death or permanent disability within 48 hours of initial symptoms. A meningococcal vaccine is available for use among persons aged 11 to 55 years,

which provides protection against four of the five types of bacteria that cause meningococcal disease. Many parents are unaware of the dangers the disease poses to their children and that a vaccine is available that may help to prevent up to 83 percent of cases among teens and college students.

Immunization is the most effective way to prevent this very serious disease. To learn more about meningococcal disease or vaccine information, feel free to contact your school nurse or visit the following web sites:

- www.cdc.gov - This CDC website includes the CDC recommendations and information on the meningococcal vaccine.
- <http://www.dhs.wisconsin.gov/communicable/> - Wisconsin Department of Health Services communicable disease fact webpage.
- <http://sspw.dpi.wi.gov/files/sspw/pdf/mengcdcfact.pdf> - The Wisconsin Department of Public Instruction Fact Sheet for the community.

- Meningitis Foundation of America www.musa.org
- National Meningitis Association www.nmaus.org

Annual Notice Of Special Education Referral And Evaluation Procedures

Upon request, the Port Edwards School District is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district. A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a

legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability may also refer the child, including a homeless child, to the school district in which the child resides. Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting the Director of Special Education, at 715-887-9000, or by writing him/her at 801 Second Street, Port Edwards, WI 54469.

Work Permits, Notary Services, Photocopying, Faxing available to Residents

As a service to our students, Callie Kulinski is authorized by the State of Wisconsin to issue work permits. The following documentation must be presented when applying for a work permit: a letter of intent from the employer stating the student's hours and job assignment(s), a letter of permission from the parent, birth certificate or driver's license, and social security card. There is a \$10 cost.

Other services available to our district residents include photocopying, faxing, and notarizing of documents. The charge for photocopying is \$.10 per page; faxing is \$.50 per page. Lisa Miller, central office, is licensed by the State of Wisconsin to serve as a notary public. There is no charge for this service.

Notice of School District Policies on Sex Discrimination, the District's Title IX Coordinator (s), and Procedures for Reporting or Filing a Complaint of Sex Discrimination

Title IX Nondiscrimination Policy Statement -

As mandated by the current provisions of Title IX of the Education Amendments of 1972 and under the regulations set forth in Chapter 106 of Title 34 of the Code of Federal Regulations ("the federal Title IX regulations"), the District does not unlawfully discriminate on the basis of sex in any education program or activity that the District operates. Title IX's requirement not to discriminate in any education program or activity extends to cover, but is not limited to, District students, certain admissions processes, and

District employment. Inquiries regarding how Title IX and the federal Title IX regulations apply to the District may be referred to a District Title IX Coordinator (as designated below), to the Assistant Secretary for Civil Rights at the U.S. Department of Education, or to both. The District's commitment to nondiscrimination under Title IX and under other state and federal laws is further defined in the following policies of the School Board: Policy 2266

District Title IX Coordinators -

The District employee who holds the position identified below serves as Title IX Coordinator for the District:

Heather Lisitza
PK-5 School Counselor
801 2nd St. Port Edwards, WI 54469
715-887-9000 Ext: 303
lisithe@pesd.k12.wi.us

Reporting Sex Discrimination-

Any person (including a person who is not claiming to have been personally harmed or victimized by the alleged discrimination) may report a concern or allegation regarding prohibited sex discrimination (including sexual harassment) to the District. Such reports may be submitted as follows:

1. To a district Title IX Coordinator, either in person, by telephone, U.S. mail or electronic mail, using the contact information listed above. In person reports should be made when the Title IX Coordinator is reasonably available during regular working hours. Reports submitted by telephone, mail or electronic mail may be made any time.
2. By any other means that results in a Title IX Coordinator actually receiving the person's verbal or written report.

Filing Formal Complaints of the Title IX Sexual Harassment -

As required by the federal Title IX regulations, the District has established a formal grievance process for the investigating and resolving "formal complaints" of "sexual harassment," as those terms are defined in the regulations.

An individual who is alleged to be the victim of the conduct that could constitute sexual harassment under the federal Title IX regulations (i.e., a Title IX "complainant"), or a parents or guardian who has a legal right to act on behalf of such an individual, may file a formal complaint of sexual harassment. No Title IX complainant is obligated to file a formal

complaint, but a qualifying formal complaint is necessary for the District to start an investigation using the District's formal Title IX grievance process.

Complainants are expected to file formal complaints of sexual harassment with a District Title IX Coordinator by submitting a document or electronic submission in person, by U.S. mail, or by electronic mail, using the contact information specified above.

Additional requirements for formal complaints of Title IX sexual harassment, including a description of the required content for a formal complaint, are set forth in Policy 2266.

District Response to Reports and Complaints of Sex Discrimination and to Formal Complaints of Sexual Harassment under Title IX -

The District has established grievance procedures through which the District structures its response to reports that allege unlawful discrimination on the basis of sex in any education program or activity of the District. Those procedures are set forth by Policies 1422, 3122, 4122 and 2260 as published on the District's website. The purpose of such procedures is to provide for the prompt and equitable resolution of any report or complaint of alleged sex discrimination, excluding formal complaints of sexual harassment under Title IX (which are subject to a different process).

Any time that the District has actual knowledge of sexual harassment or allegations of sexual harassment that could constitute a violation of Title IX, the District has obligations to respond to such knowledge in a manner that is not deliberately indifferent and in a manner that treats the alleged victim (s) of sexual harassment and the alleged perpetrator (s) of sexual harassment equitably. Such a response includes, but is not limited to, offering supportive measures to a complainant and investigating and resolving any formal complaint that presents allegations of Title IX sexual harassment using the formal grievance process that the District has adopted for such formal complaints. District procedures for responding to alleged sexual harassment under Title IX, including the formal grievance process, are set forth in 2266 as published on the District's website.

PORT EDWARDS PUBLIC SCHOOLS

Business Meeting of the Board of Education

5:30 p.m., Wednesday, April 12, 2023 – Elementary School IMC, 5th Street., Port Edwards, WI

Minutes

Meeting called to order by President John Daven at 5:30 p.m.

Roll Call

PRESENT: John Daven, Leo Thomasgard, Kathy McGrath, Dana Duncan (arrival at 5:40)

ABSENT: Cary Hildebrandt

ALSO PRESENT: Ernestine Neve, Cara Christy, Donna Shroda, Steve Birno, Natasha Grawey-Mentch

1. Consider Approval of Agenda

Motion by Thomasgard, second by McGrath to approve the agenda as presented. Voting yes – all. Motion carried.

2. Report from Student Representatives, Student Recognition

Student Council members, Sierra Eklund and Evelyn Fletcher gave a report on the current activities at JEHS. An update on softball, baseball and track was reported. The members reported that prom is scheduled for April 29th and will be held at the Elks Club. They reported that the Spanish trip to Costa Rica was a success and stated that Math League is going well and that there are two students in

3. President's Report

A. Board Member Attendance

President Daven reported that Board Members Daven, Thomasgard, McGrath and Duncan were in attendance. Board member Hildebrandt was absent due to personal obligation.

B. Next Board Meeting

President Daven reported that the next meeting of the Board of Education will be Wednesday, May 10, 2023.

4. Administrative Reports

A. District Administrator Report - Superintendent Bena

Superintendent Bena gave an update on the April 2024 referendum progress. He stated that a district facility committee is being created and he plans to have the list of members by next week. Superintendent Bena also gave a brief update on the current activities taking place in the district.

B. Elementary Principal Report – Principal Christy

Principal Christy reported that Title 1 staff sponsored an ice cream social reading event. Lisl Detlefsen attended and read and autographed her new book, Farm Boots. Ms. Christy thanked Mrs. Vitello and Mrs. Winters for making the event a success. Principal Christy stated that the book fair will be held April 17 – 21 and thanked Mrs. Bossert for organizing this event.

C. Middle School/High School Principal Report - Principal Shroda

- Natasha Grawey-Mentch – Visual Arts Club

- Steve Birno – Trap Shooting Team

Principal Shroda reported that the students had a great time on the Spanish trip to Costa Rica. Ms. Shroda introduced Natasha Grawey-Mentch and Steve Birno for their presentations.

Natasha Grawey-Mentch reported to the Board that she attended a conference in Weyauwega. Mrs. Mentch stated it was the most beneficial conference she has attended. She reported to the Board her plans for the Visual Arts Club and stated her goal is to get students in middle and high school involved and participate in such things as Youth Art Month.

Steve Birno reported that there are four area trap shooting teams, Adams-Friendship, Nekoosa and Wisconsin Rapids.

Nekoosa was the first to have a team in 2014-15, Port Edwards and Wisconsin Rapids established teams in 2016. There are ten weeks in the season and the team meets once a week. Our students participate under the clay target league. Mr.

Birno invited the Board to the State Shoot.
