Dear Friends of the Foundation,

For the past 28 years, the Port Edwards Education Foundation (PEEF) has been providing money for teachers and staff who submit innovative ideas that enhance creative and diverse educational opportunities for students in the Port Edwards School District. This year we received and fulfilled three grant requests for a total of \$8416, bringing our total grant money awarded to \$329,732 since PEEF began in 1995. This year, because of the generous support of donors like you and the profits from our Golf Scramble, the Foundation was able to fully fund the following three grants:

- Drum Line
- Developing Digital Creators
- Lifetime Fitness

It is through our fundraising campaign each fall and the Golf Scramble each summer that we are able to provide these grants. The Foundation is deeply appreciative of the time and effort put in by staff to write the grant proposals to provide money for many wonderful enrichment activities for Port students. We are equally appreciative of you, our donors, whose generosity helps fund these grants.

We thank you for your past contributions and hope you will continue to support us with your donations this year and in the future. With your help, we promise to continue our efforts to provide enhanced learning experiences for the students of the Port Edwards School District.

Sincerely,

Corey Searles, PEEF President
