2021-2022 School Year is Almost Here!

Submitted by: Kyle Cronan, Superintendent

The schools have been active places throughout the summer months. In June we had students participating in our summer school programming. During July we have seen our athletic teams conduct their summer contact days and now with fall approaching we will have music students and athletes coming in to prepare for new seasons and a new school year. This is a welcome change from a year ago when we were simply planning to reopen school after the spring shutdown due to COVID.

This year we are welcoming Ethan Jensen to our staff as our new Business Education teacher. We have experienced a few staff departures at the conclusion of this past school year and we wish the following well in their future endeavors: Natalie Brown, Gary Spencer and Jennifer Pfefferkorn.

Over the past two months, our maintenance staff has worked to clean up and continue to improve the facilities. This summer we finished re-carpeting and re-lighting the 1st and 2nd grade rooms at the elementary school. At the middle/high school we have tackled several larger projects. We have painted, installed new flooring and put up a new ceiling in the library. Additionally, the art room and middle school hallways have renovated floors. The lockers throughout the building have also received a fresh coat of paint. Finally, we have converted our air-handling system in the Tech. Ed./Music area to a digitally controlled system and we have installed new univents in our Middle School Resource Room and Business Classroom. There are several other projects we are in the process of completing before the start of the new school year. We hope that the students enjoy the improvements throughout the facilities.

During this school year, we will continue to work on updates to several areas of our curriculum and technology systems. Curriculum and technology updates were a part of the needs identified through the referendum process two years ago. This is an ongoing review process to cover all areas of curriculum over time.

I want to extend open arms to welcome all of our new students, families and staff this fall. This year, we will invite our students and families to meet the staff and tour the schools on Monday, August 30th for Back to School Night. With the new school year, I want to reaffirm my commitment to continue the tradition in Port Edwards of providing a personalized and high quality educational experience for each student. Our community is a great place to raise children and our school provides the foundation for the future success of the students served.

7-12 SCHOOL NEWS

Submitted by: Donna Shroda, 6-12 Principal

Returning to school this year will bring much anticipated excitement! Our HS student council will be kicking off the year with a tailgate party in the MS/HS parking lot for **Back-to-School Night on Monday, August 30th**. This year will have more of an ‘open house’ feel. Grills will be fired up for dinner with outdoor games and good company. The ‘newly renovated school’ will be open to walk through and tours will be available. Students are encouraged to organize their lockers and school supplies during this time. Professional school pictures will be taken by Jostens in the auditorium for school ID’s and personal orders.
*Further information will be sent through IC.

John Edwards High School and Middle School will start the year on a trimester schedule with five 70 minute blocks in their day. This will allow students to have flexibility in their schedules and the opportunity for more classes. Please see the 2021-22 school calendar for specific grading dates. Infinite Campus will continue to be your go-to resource for all of your student’s information. As a parent, you are able to view grades and attendance 24/7. For example, at 9:30 at night you can access your child’s score on their history exam or find out if they were late to school because they stopped for coffee.

School doors will open on Wednesday, September 1st for students to start learning! Prior to that date, activities will begin - start writing in your calendars. Student Council will be greeting everyone on Back-to-School Night. Music teachers are super giddy to finally start real lessons this fall. Athletes will host their first games before school officially opens. Volleyball will have their first match at Iola on Thursday, August, 26th at 5:00pm. Cross Country will also open their season in Pittsville on the 26th. Football will host their opening home game against Phillips on August 27th at 4:00pm.

Encourage your child to become active and find something in school that they enjoy. This will help define their school experiences and help enrich our school climate. We are all looking forward to an exciting and productive 2021-2022 school year!

ELEMENTARY SCHOOL NEWS

Submitted by: Cara Christy, 4K-5 Principal

Happy Summer! As our students enjoy their last few weeks of summer, we are in full-swing here at school preparing for an exciting year of learning.

This summer, our elementary school hosted our annual summer school program in June. Once again, our attendance at summer school was high and our students had fun learning while taking both academic and enrichment classes. While our newest little Blackhawks attended “Jump Into Kindergarten”, our “veteran” elementary students took part in academic courses such as reading and math as well as enrichment classes including fishing, crafts, technology, clay, art, and cooking. We also had a new and exciting opportunity this year, as our students spent their afternoons attending the South Wood County YMCA for swimming lessons, playing games and participating in other physical activities. We are thankful for our wonderful summer school teachers in Port Edwards as well as our partnership with the South Wood County YMCA.

Looking ahead, Back-To-School Night is right around the corner on Monday, August 30th. Doors will be open from 3:30-5:30pm at the elementary school. It is an open house format, where you can stop in and meet your child’s teacher for a quick introduction, drop off supplies, and see your child’s classroom. If you have older students, you can then head over to the middle/high school who will host their back-to-school events on the same night.

One important date to note is our upcoming school picture day at the elementary school on ***Wednesday, September 8th***. This year, picture ordering will take place online, so please look in your back-to-school packet for more information and the link to the Jostens website.

Another important item to note this school year is that we will have student crossing guards monitoring the corner of VerBunker Ave. and 5th Street before and after school and making sure your students cross the street safely. ***Please do not send your students to school prior to 7:45am as the crossing guards will not be on duty before that time. In addition, our building is locked and there is no supervision before 7:45am. Students have plenty of time from 7:45-8:25am to enter the building, eat breakfast, play on the playground, and get ready for the day. Please keep this in mind when bringing your child(ren) to school each morning.***

As far as other drop-off and pick-up procedures, please refer to the elementary school student handbook and follow the plan. The safety of our students entering and exiting our building and crossing streets is of the utmost importance and we need everyone to cooperate and follow the guidelines carefully.

Please enjoy the rest of your summer break and I look forward to seeing all of you for the 2021-2022 school year!

PEPO (Port Edwards Parent Organization)

How is it that we are preparing for the new school year?!
We hope you had a great summer!

Look for our table at Back To School Night! We will have order information on how to purchase Blackhawk apparel so you can show your school spirit all year long. We will also be happy to answer any questions you may have about our parent group. Whether you are a seasoned Port Edwards parent or a newcomer to the district, we would love having new faces and voices to make our school family the best that it can be.

Our first meeting of the year will be held Wednesday, September 15th at 6:30pm. Our meetings are easy to remember because they are on the 3rd Wednesday of each month. Stay tuned for the location of our meetings. We would love to see a lot of new faces.

Here are some reasons to be involved with PEPO. Hopefully after last year's different school year, we will be able to bring back:

- Fall Fest
- Family Movie Nights
- Family BINGO

Here are some of the ways we were able to help the teachers and students last year:

- Supplies for 1st grade
- Before Christmas break activities/gifts for the students
- 4th grade was able to participate in the Milwaukee Brewers weather day and Math day.
(Two students won vouchers for a Brewer game.)
- Purchased lollipops & ice cream sandwiches for the ABC Countdown

There will be plenty of ways to support our organization throughout the school year.

- * Ruby Reds fundraiser
- * School Store fundraiser
- * Cherrydale fundraiser

REMEMBER TO DOWNLOAD THE BOX TOPS APP!

All proceeds from Box Tops are used for the playgrounds.

Stay connected with us on Facebook! We post all activities and reminders on Facebook!

**We hope to see you at Back-to-School Night and at our meeting on September 15th.
Please consider joining us.**

Jennie Breitrack-President
Nikkie Krause-Vice President
Charlene Goodwin-Treasurer

Above all, we want to build a stronger group of involved parents so that we can work together to bring additional benefits to our students, now and in the future.

15th ANNUAL BLACKHAWK SCRAMBLE

Beautiful weather contributed to another very successful golf outing held on June 21, 2021.

Golfers enjoyed great golfing at Lake Arrowhead Lakes Course. Many thanks to everyone who donated prizes, sponsored holes, golfed or worked at the event. Together you have helped fund grants in the next year that make the Port Edwards School District truly special.

A light meal, served during the awarding of prizes at the end of the event, was enjoyed by all.

FOR THE 2021 VOLLEYBALL SEASON

The 2021 Blackhawk Volleyball team invites you to join the Bumpin' Blackhawks! The Blackhawks look forward to having Bumpin' Blackhawks at the home matches this fall to be warm-up helpers and to cheer them on to victory!

(first home match – Tuesday, September 7th)

The cost for joining the Bumpin' Blackhawks is \$12.00.

This includes the following:

- * Volleyball clinic – Monday, September 21st, 3:30 – 5:00
- * Free entry to all home Blackhawk Volleyball matches
- * Be warm-up helpers during home volleyball matches for the Blackhawks
- * Receive a Bumpin' Blackhawk t-shirt
- * Learn about the excitement and fun of Blackhawk Volleyball

Thank you for joining the Bumpin' Blackhawks. Please return the bottom portion of this slip to Lisa Miller in the District Office or to Tina Melvin in the Elementary School Office by Friday, September 13th.

Notes from the Nurse

Submitted by: Katie Bortz, CESA 5 School Nurse

Here are a few important Back-to-School reminders:

- All students are required to have updated immunization records on file at the start of the school year. Updates include MMR, DTaP, and the chicken pox vaccine to name a few. More information will follow.
- Annual school health screenings for vision and dental needs will occur later in the fall. If you have concerns about your children's hearing, the health office is able to complete a hearing screening as well.
- Allergy & Asthma season is predicted to hit us HARD this year. Monitor all symptoms closely and follow your health care provider's advice.
- If your student has a health condition or needs special care during the school day such as medication, treatments, or monitoring, please inform the school nurse. Medical health care plans, rescue medications, and staff training will help keep your students safe and healthy. My contact information is below.
- PLEASE provide a current and working phone number in the event your child needs your attention. This information will be stored in Power School and makes contacting you so much more efficient.
- Visit the school nurse portion of the school web page for more information on student health, school forms, and other helpful links.

COVID Corner

Although enhanced cleaning and other mitigation measures are still likely to be in place, we are hoping to have a much more "normal" feel to the 21-22 school year. Please stay tuned for more specific updates.

Enjoy the rest of your
summer break!!

Welcome to the Safety Zone

A Service of Lamers Bus Lines

From everyone at Lamers Bus Lines: Welcome Back! We hope you were able to make the best of your summer break in spite of all that is going on in the world. We had a successful school year last year even though times have been hard on all of us. We're hoping this school year will be even more "back to normal." I'm sure most of the students are ready to get back to see their friends and teachers again.

Buses will run as they did last year. Students will be requested to self assign their own seat. They should choose a seat and always sit in that seat. Siblings should be seated together. The driver may reassign seats when necessary. We encourage students and drivers to wear face coverings while on the bus unless they have a medical or safety reason not to wear one. Buses will continue to be cleaned and disinfected regularly.

Pickup times and locations will remain the same as last year. All families new to the district, 4k students, and anyone with a pickup location or time change will receive a postcard in the mail with those details. Postcards will be mailed by August 20th and should arrive by the end of the following week. Give us a call if you have any questions or haven't received a bus card.

Please bear with us the first week as routes may not run on time. Our bus drivers will do their best to maintain their time schedules, but we also need your help. Students must be outside and waiting for the bus 5 minutes prior to their approximate pickup time to help us maintain our schedule. We will not return for students who miss the bus due to not being outside. Please note, students will not be allowed to board the bus unless wearing footwear. Large school projects and band instruments, pets of any kind, rollerblades, skateboards, scooters, sleds/tubes, etc. will not be allowed.

If you have any questions, please call us at 715-421-2400 option 2, and we will be glad to help.

WE'RE HIRING!

Lamer's Bus Lines is looking for school bus drivers to fill open positions. Paid training is available for those without a CDL. Check out our website at GoLamers.com/Careers for details and to apply. Applicants must have a clean driving record and be able to pass a DOT drug screen and physical.

Ask about our driver bonus programs!

Back-To-School Night

Mark your
calendars!

**Monday, August 30, 2021
3:30-5:30 p.m.**

The Port Edwards K-5 faculty is looking forward to getting students, parents and teachers together to make sure the year gets off to a great start. This will be a great chance for us to reconnect and prepare for a terrific school year. Classrooms will be open for students and their parents to meet their teacher, see their new classroom, and bring in school supplies.

Parents, bring your calendars! This evening is also your opportunity to schedule your Parent/Teacher Conference time(s) in November.

4K OPEN HOUSE – Monday, August 30th 3:30-5:30 p.m.

4K students and their families are invited to attend an Open House at the YMCA. Visit the classroom and get acquainted with your teacher. 4K staff members are looking forward to meeting you and will answer any questions you might have.

John Edwards Middle/High School

Monday, August 30th, 4:30-6:30pm

We are anticipating a great school year!

- ◇ We invite MS/HS students and staff to join us for a parking lot cookout.
- ◇ HS student council members will be greeting families, serving dinner, and providing tours if requested.
- ◇ Tour the newly 'remodeled' school. This includes the brightened hallways/lockers to the complete makeovers in the library and art room, which is a must see!
- ◇ Students should plan to bring their supplies and organize their lockers.
- ◇ Students are encouraged to bring their schedules to do a practice walk through before their first day, Sept. 1st.

Student Pictures

By Jostens Yearbook

Students will have their individual pictures taken in the large gym.

Photos are required for student ID's.

Families may purchase picture packages - information to come.

Picture re-takes will be available this fall.

ANNUAL NOTICES

District Asbestos Plan

In compliance with the United States Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA), this is notice that the Port Edwards School District has an Asbestos Management Plan at the school district office. The plan is available for inspection by the public, parents, and district employees. The district performs six month periodic surveillance of asbestos in March and September and full re-inspections every three year. For more information, please contact the district office.

District Indoor Environmental Quality Management Plan

The Port Edwards School District would like to inform staff, students, parents and the public of the district's indoor environmental quality (IEQ) management plan. The plan was initially developed in 2013 and is reviewed as necessary. The plan was developed as deemed appropriate for the district. Questions and concerns should be directed to the IEQ Coordinator. Copies of the plan are available at the district office for a fee. The district office is located at 801 2nd St., Port Edwards, WI 54469.

Smoking on School Grounds Prohibited

The use of tobacco products on school premises is prohibited by state statutes and board of education policy. This includes buildings and all grounds, including athletic facilities. Smoking or other use of tobacco and nicotine products is prohibited at all school activities including football, baseball, softball, cross country, and track events. Look-alike products, such as but not limited to e-cigarettes, are also prohibited. Adults who violate these rules will be asked to stop the practice or leave the premises. Students who violate these rules by use or possession of tobacco will face disciplinary action by the administration according to rules outlined in the student handbook.

Right to a Free and Appropriate Public Education

Every child in the country has the right to a free public education—without exception. Not only is it an American tradition it's the law of the land. "Every" child includes the child

with a special problem or "handicap". A handicap may be due to a physical, mental, emotional, or learning problem. In addition, homeless children and youth must have equal access to the same free, appropriate public education provided to other children residing in the district and be provided with comparable services. Homeless children/youth cannot be required to attend a separate school or program for homeless children and must not be stigmatized by school personnel.

The School District of Port Edwards, in compliance with state and federal laws, periodically attempts to identify all children in the district through the age of 21 who appear to have exceptional educational needs and who may not be receiving special educational help available from the school system. Please read the following three questions. If your answer is "yes" to any of these questions, your child may be eligible for special help to improve his or her learning:

- Do you have a preschool child who seems to have many problems with physical development, vision or hearing, emotional/behavioral adjustment, speech or language, or learning in general? (These services may be provided to children who are not yet of school age.)
- Do you have a child presently enrolled in school who appears to have severe learning problems, but is not receiving adequate special help at school?
- Do you have an older child, under twenty-one years of age, who had many learning problems during school, but dropped out of school before high school graduation?

Your child might qualify for special educational services to help him/her learn as well as possible. Such services would be available through the school system at no cost to you. If you feel your child might need special help in order to obtain an appropriate education, please telephone one of the following persons:

Kyle Cronan, Superintendent
715-887-9000, ext. 102
Cara Chrisy, Exceptional Education Director 715-887-9000, ext. 101

If you contact the district, the information you provide will be treated confidentially, and will be used to help determine whether your child

might be helped through use of an Exceptional Education program. If any special program is recommended, the program recommendations will first be discussed with you, and you will be asked for your written permission to enroll your child.

Educational Records

Federal law requires that the district annually state the district policy regarding the release of student records. The district policy is as follows:

- Parents, guardians, and adult age of students have the right of access to each education record that the school district keeps on that student.
- The school has a written covering access, maintenance and disclosure of these records. A copy of this policy may be obtained through the superintendent's office.
- The school may disclose "personally identifiable information known as directory information (name, address, telephone, date & place of birth, major field of study, activities, sports, weight & height for programs, dates of attendance, photographs, degrees and awards received and the name of the school most recently/previously attended) without obtaining parental or adult-student permission, unless the school superintendent is requested in writing not to release specified directory information. The written request must be received in the superintendent's office within ten days of filing this notice. Directory information includes the following examples; press releases, athletic programs, which may include personal statistics, scholastic and social achievements.

- Parents/guardians or adult students have the right to file a complaint with the Family Policy Compliance Office of the U.S. Department of Education alleging district noncompliance with FERPA requirements.

- School Districts are required to make student records available to "law enforcement officers who are individually designated by the school board and assigned to the school district, in addition to district employees who are required by the DPI to hold a license, and to other school district officials who have been determined by the school board to have legitimate

educational interests, including safety interests, in the records.

Human Growth and Development

The Port Edwards School District will include instruction in physiology and hygiene, including instruction on sexually transmitted diseases, in its high school curriculum. Instruction in human immunodeficiency virus and acquired immunodeficiency syndrome (AIDS) may be included in the K-12 human growth and development instruction. Parents may inspect the actual curriculum and instructional materials by contacting the district curriculum coordinator:

Kyle Cronan, 715-887-9000

Parents/guardians may file a written request to have their child exempted from instruction in human growth and development. However, this does not exempt the child from the state requirements to receive instruction in physiology and hygiene, sanitation, the effects of controlled substances and alcohol upon the human system, symptoms of disease and proper care of the body.

Electronic Communication Devices

Student use and possession of pagers, cellular telephones or other electronic communication devices on school premises as well as those owned or rented or under the control of the Port Edwards Public School District shall be used within the guidelines of the School Board Policy. Students violating this policy shall be disciplined in accordance with established procedures.

Religious Accommodations and the Curriculum

The Port Edwards School District recognizes the right of parents to inspect instructional materials and to deny their child's participation in certain curricular activities. The District also recognizes that reasonable accommodations with regard to examinations and other academic requirements may have to be made from time to time because of a student's sincerely held religious beliefs. Requests regarding the above may be made to the building principal. If a parent/guardian is not satisfied with the principal's decision, he or she may appeal to the Superintendent, and if necessary to the Board of Education.

Early College Credit Program

Students attending Port Ed-

wards School District in grades 9 through 12 are eligible to participate in the Early College Credit Program (ECCP). Students may be able to take courses from Institutions of Higher Education (IHE) such as UW system, tribally controlled colleges and private nonprofit IHE. Students may take courses in the fall, spring and summer semesters. Students may take courses throughout their high school career, but are limited to 18 college credits under ECCP. Applications deadlines are March 1-for fall semester, October 1-for spring semester and summer course application deadlines do not have a specific deadline. Students will be notified of the status of their application before the beginning of the semester in which the student applied to be enrolled. The IHE must admit a student if space is available and the student meets the requirements and prerequisites for the course. The district will deny high school credit if the course doesn't satisfy a high school graduation requirement or if the district offers a comparable course. Students may appeal this decision to the State Superintendent of Schools within 30 days of that decision. Costs for the program may be shared between the following entities depending upon the circumstances and as outlined by state law: the District, the State, the IHE and the pupil. Students/parents are responsible for transportation, but for families who meet need requirements, funding may be available from the State.

START College Now

Students attending Port Edwards School District in grades 11 through 12 are eligible to participate in the Start College Now. Students may be able to take courses from Wisconsin technical colleges. Students may take courses in the fall and spring semesters. Students may take courses throughout their high school career, but are limited to 18 college credits. Applications deadlines are March 1-for fall semester, October 1-for spring semester. Students will be notified of the status of their application by November 15-for spring semester and by May 15-for fall semester. The technical college may admit a student if space is available and the student meets the requirements and prerequisites for the course. The district will deny high school credit if the course doesn't satisfy a high school graduation requirement or if the district offers a comparable course. Students may appeal this decision to the state

superintendent within 30 days. Costs for the program are the responsibility of the District so long as the course(s) taken are not comparable to District offerings. Students/parents are responsible for transportation, but for families who meet need requirements, funding may be available from the State.

Compulsory Student Attendance

Except as provided by State Statute and unless the child is excused or has graduated from high school, any person having under their control a child who is between the ages of 6 and 18 years shall cause the child to attend school regularly during the full period and hours, religious holidays excepted, that the public or private school in which the child should be enrolled is in session until the end of the school term, quarter, or semester of the school year in which the child becomes 18 years of age. WI Act 41 requires a child who is enrolled in 5-year-old kindergarten in a public or private school to regularly attend kindergarten during the school year. With certain exceptions, the law also requires a child to complete 5-year-old kindergarten as a prerequisite to being admitted to first grade in a public school. A parent or guardian may excuse a child from school attendance for not more than ten (10) school days in a school year. Such absences include, but are not limited to: injury/illness, medical/dental appointments, family vacations, college visits, etc. The parent/guardian is to provide the school with a written (or verbal) excuse for each absence including the date of the absence, the number of days absent, and the reason for the absence before the absence is to take place. A student is considered truant from school if he/she is absent from school for part or all of one or more school days during which the school has not been notified of the cause of such absence by the parent/guardian and/or the absence is in excess of the ten (10) approved absence days allowed by law and is not a school approved absence. A student is considered a habitual truant if he/she is absent from school without an acceptable excuse for part or all of five or more days on which school is held during a semester. The parent/guardian of a student who is at risk of being a habitual truant shall be notified by mail. Legal proceedings may be brought against a student for habitual truancy or against the parent/guardian for failure to cause the student to attend school regularly.

Student Nondiscrimination in Relation to Career and Technical Education

Students, parents/guardians, employees and general public be advised that all career and technical education opportunities will be provided on a nondiscriminatory basis and will be subject to the District Nondiscrimination and Access to Equal Education Opportunity Policy (policy #2260)

Student Nondiscrimination and Access to Equal Educational Opportunity

Port Edwards School District is committed to providing an equal educational opportunity for all students in the District.

The District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student program and activities. This policy is intended to support and promote nondiscriminatory practices in all District and school activities, particularly in the following areas:

- A. use of objective bases for admission to any school, class, program, or activity;
- B. prohibition of harassment towards students and procedures for The investigation of claim (see Policy 5517);
- C. use of disciplinary authority, including suspension and expulsion authority;
- D. administration of gifts, bequests, scholarships and other aids, benefits, or services to students from private agencies, organizations, or persons;
- E. selection of instructional and library media materials in a nondiscriminatory manner and that reflect the cultural diversity and pluralistic nature of American society;
- F. design and implementation of student evaluation practices, materials, and tools, but not at the exclusion of implementing techniques to meet students' individual needs;
- G. design and configuration of facilities;
- H. opportunity for participation in extra-curricular and co-curricular activities, tprovided that separate programs for male and female students may be available provided comparable activities are made available to all in terms of type, scope, and District support; and the

school lunch program and other school-sponsored food service programs. The District is also committed to equal employment opportunity in its iemployment policies and practices as they relate to students. The Board's policies pertaining to employment practices can be found in Policy 1422, Policy 3122, and Policy 4122 - Nondiscrimination and Equal Employment Opportunity.

Students, parents and all other members of the School District community are encouraged to promptly report suspected violations of this policy to a teacher or administrator. Any teacher or administrator who receives such a complaint shall file it with the District's Compliance Officer at his/her first opportunity.

Students who believe they have been denied equal access to District educational opportunities, in a manner inconsistent with this policy may initiate a complaint and the investigation process that is set forth below. Initiating a complaint will not adversely affect the complaining individual's participation in educational or extra-curricular programs unless the complaining individual makes the complaint maliciously or with knowledge that it is false.

Access to Students by Military Recruiters, Prospective Employers and Post-secondary Institutions

Federal law mandates the release of the name, address and telephone number of your child to military recruiters, prospective employers or institutions of higher learning. It is the policy of the Port Edwards School District that military recruiters, prospective employers and post-secondary institutions will be allowed access to its students, with the exception of those students who have themselves filed an objection, or whose parent has filed an objection on their behalf. If you do not want your child's name, address, telephone listing or electronic email address provided to military recruiters, prospective employers, or institutions of higher education, an objection to the release of such information must be on file in the JEHS School Counseling office. Copies of the objection form will be provided to students.

Programs for English Language Learners

The Board of Education of the Port Edwards School District recognizes that within the district there may be children whose primary language is not English. With that in mind, the Board shall

provide appropriate services for district students who possess limited or no command of the English language. The purpose of these services will be to help students acquire English language skills that will enable them to function successfully in an all English classroom and to meet established academic standards.

Specialized instructional materials and techniques designed to teach English to speakers of other languages shall be used in the district. The degree of curricular and instructional modification, type of support services, and their duration shall be determined individually and be based on student need. If a sufficient number of the limited English proficient students identified are of the same language group to meet statutory requirements, a bilingual-bicultural education program will be established.

Education of Homeless Children and Youth

The McKinney-Vento Act defines homeless children/youth as:

Children and youth who lack a fixed, regular, and adequate nighttime residence, and includes children and youth who are:

- sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason
- living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations
- living in emergency or transitional shelters
- abandoned in hospitals
- living in a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings
- living in cars, parks, public spaces, abandoned building, substandard housing, bus or train station, or similar settings
- migratory children who qualify as homeless because the children are living in circumstances described above

If you are personally away of or acquainted with any children or youth who may qualify according to the above criteria, the Port Edwards School District provides the following assurances to parents and guardians of the homeless children and youth unaccompanied homeless youth:

- The child or youth shall be immediately enrolled and allowed to fully participate in school, even if unable to produce records normally required for enrollment (e.g., academic records, immunization and other required health records, proof of residency, or other documentation) or has missed application or enrollment deadlines during any period of homelessness.

- Homeless children and youth are not stigmatized or segregated on the basis of their status as homeless and have full and equal educational and related opportunities.
- Meaningful opportunities to participate in the education of their children including special notices of events, parent-teacher conferences, newsletters, and access to student records.
- Immediate enrollment and transportation to the school of origin. "School of origin" means the school that a child or youth attended when permanently housed or the school in which the child or youth was last enrolled, including a preschool.
- Written explanation of any decisions related to school selection or enrollment made by the school, the local educational agency, or the State educational agency involved, including the rights of the parent, guardian, or unaccompanied youth to appeal and receive prompt resolution of such decisions.

Please contact [Heather Lisitz](mailto:Heather.Lisitz@pesd.k12.wi.us), homeless liaison for the Port Edwards School District, at 715-887-9000 or lisithe@pesd.k12.wi.us for additional information about the rights and services described above.

Student Locker Searches

Students will be assigned locks and lockers by the school. Lockers are the property of the school and are not under the exclusive control of the student. Lockers may be inspected and searched at any time by the school or other authorities. If illegal substances or contraband is found, the matter will be referred to proper legal authorities. Use of canine units to inspect lockers will take place periodically at the discretion of school administration. Additional information can be found in the student handbook.

Student Privacy

To ensure the privacy of its students, the Port Edwards School District will notify parents when the following activities are scheduled or expected to be scheduled:

1. Activities involving the collection, disclosure or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose).

2. The administration of any survey containing one or more of the following items:
 - a. political affiliation or beliefs of the student or the student's parents;
 - b. mental and psychological problems of the student or the student's family;
 - c. sex behavior or attitudes;
 - d. illegal, anti-social, self incriminating or demeaning behavior;
 - e. critical appraisals of other individuals with whom students have close family relationships;
 - f. legally recognized privileged or analogous relationships such as those of lawyers, physicians and ministers;
 - g. religious practices, affiliations or beliefs of the student or student's parent; or
 - h. income, other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program.
3. Any non-emergency, invasive physical examination or screening that is: (a) required as a condition of attendance, (b) administered by the school and scheduled by the school in advance, and (c) not necessary to protect the immediate health and safety of the student or other students.

Teacher Professional Qualifications

As a school receiving Title I funds, our parents are entitled to request and obtain information regarding:

1. The professional qualification of their child's classroom teacher, including the following: (a) whether the teacher has met state licensing criteria for the grade level(s) and subject area(s) taught; (b) whether the teacher is teaching under emergency or provisional status through which state licensing criteria have been waived, and © the undergraduate degree major of the teacher, and any graduate certification or degree held by the teacher, including the field of discipline of the certification or degree.
2. The professional qualifications of paraprofessionals providing instructional related services to their child.

Education for Employment/ Academic and Career Planning Service Program

Education for Employment is integrated into the Port Edwards School District curriculum and includes career awareness at grades K-5, career exploration at grades 6-8, and career planning and preparation at grades 9-12. In addition, parents will receive multiple opportunities during each school year to participate in their student's academic and career planning. More information regarding Education for Employment and Academic and Career Planning is available through School Counseling Department at 715-887-9000.

School and District Performance Reports

Each year, public school districts in Wisconsin are required to share student achievement data. Multiple measures of student learning are used to measure school performance and student achievement. Access to student achievement data compiled by the District and the Department of Public Instruction on assessments, attendance, discipline, graduate rates, truancy, drop outs, retentions, academic course work and financial information may be found by visiting the Wisconsin District & School Performance Reports webpage at <https://apps2.dpi.wi.gov/sdpr/spr.action>. Links are also available through the www.pesd.k12.wi.us webpage by clicking on the "District" tab, then "Legal, Public and Parent Notices" tab. If you do not have Web access, contact the District administrative office at 715-887-9000 to request specific information or data you are interested in.

Student Assessments

The State of Wisconsin Student Assessment System (WSAS) is a comprehensive statewide program designed to provide information about what students know and are able to do in core academic areas. Information on both state and district annual assessments (including the subject matter assessed, the purpose of the assessment, the source of the requirement for the assessment, and, when available, the assessment schedule and format for disseminating results) are available through the www.pesd.k12.wi.us webpage by clicking on the "District" tab, then "Legal, Public and Parent Notices" tab. Parents will also be notified of specific assessment information prior to each test administration via building newsletters and websites.

Parents may request information regarding state or local school district policy regarding student participation in any mandated assessments by contacting the School Counseling Department at 715-887-9000. Parents may opt their student out of a state or district assessment by submitting a written request to the building principal per Wis. Stats. 118.30 (2)(b)3. This request may come at any time during the testing window. All students excused by parent opt-out are marked as "not tested" students in school and district reporting determinations.

District Compliance Officers

The following individuals to serve as the District's "Compliance Officers" (hereinafter referred to as the "COs").

Cara Christy
4K-5 Principal

Medication in School

The State Law states no medication can be provided by the school district. Parents/guardians must bring all medication from home in its original container with the name, dosage appropriate for your child's age and in a sealed container with your child's name labeled on the package or bottle. This law includes both prescription and over-the-counter medications, including cough drops.

- ALL OVER-THE-COUNTER MEDICATIONS require a signed parent/guardian consent form for over-the-counter medication in the school before their child can be given the medication.
- ALL PRESCRIPTION DRUGS require a parent consent AND a physician's consent on file for your child to receive the medication in the school.
- Medications will not be given unless these requirements are met.

Forms can be accessed on the nurse's web page or the office. Please make sure you take or request a form any time your child goes to the doctor. When taking your child to the doctor, always request a physician's consent to give medication in school and a doctor's excuse for the absence. If these completed forms are not on file in the nurses' office, you will be called and asked to come to school to give the medication until these requirements are completed. All long term medications are required to have a new consent form filled out on a yearly basis according to the Wisconsin State Law.

All questions can be directed to the School Nurse, at 715-887-9000 ext. 202. Required medication forms can be obtained from any of the school offices. Please obtain these forms and take them to your doctor to be filled out so there will be no delay in medicating your child at school.

Meningococcal Disease Information

Public health authorities recommend that teenagers and college-bound students be immunized against a potentially fatal bacterial infection called meningococcal disease, a type of meningitis.

The Centers for Disease Control and Prevention (CDC) and other leading medical organizations recommend routine meningococcal immunization for adolescents during the preadolescent doctor's visit (11- to 12-year-olds), adolescents at high school entry (15- year-olds) if they have not previously been immunized, and for college freshmen living in dormitories. Meningococcal disease is a rare but potentially fatal bacterial infection that can cause severe swelling of the brain and spinal cord (meningitis) or a serious blood infection (meningococemia).

The disease can be transmitted through close contact with an infected person by way of respiratory and/or oral secretions (for example, through sharing drink containers or kissing). Meningococcal disease strikes up to 3,000 Americans each year; nearly 30 percent of these cases are among teenagers and college students. Meningococcal disease can be misdiagnosed as something less serious, because early symptoms like high fever, severe headache, nausea, vomiting and stiff neck are similar to those of common viral illnesses. The disease can progress rapidly and can cause death or permanent disability within 48 hours of initial symptoms. A meningococcal vaccine is available for use among persons aged 11 to 55 years,

which provides protection against four of the five types of bacteria that cause meningococcal disease. Many parents are unaware of the dangers the disease poses to their children and that a vaccine is available that may help to prevent up to 83 percent of cases among teens and college students.

Immunization is the most effective way to prevent this very serious disease. To learn more about meningococcal disease or vaccine information, feel free to contact your school nurse or visit the following web sites:

Annual Notice Of Special Education Referral And Evaluation Procedures

Upon request, the Port Edwards School District is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district. A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a

legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability may also refer the child, including a homeless child, to the school district in which the child resides. Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting the Director of Special Education, at 715-887-9000, or by writing him/her at 801 Second Street, Port Edwards, WI 54469.

Work Permits, Notary Services, Photocopying, Faxing available to Residents

As a service to our students, Callie Kulinski is authorized by the State of Wisconsin to issue work permits. The following documentation must be presented when applying for a work permit: a letter of intent from the employer stating the student's hours and job assignment(s), a letter of permission from the parent, birth certificate or driver's license, and social security card. There is a \$10 cost.

Other services available to our district residents include photocopying, faxing, and notarizing of documents. The charge for photocopying is \$.10 per page; faxing is \$.50 per page. Lisa Miller, central office, is licensed by the State of Wisconsin to serve as a notary public. There is no charge for this service.

Notice of School District Policies on Sex Discrimination, the District's Title IX Coordinator (s), and Procedures for Reporting or Filing a Complaint of Sex Discrimination

Title IX Nondiscrimination Policy Statement -

As mandated by the current provisions of Title IX of the Education Amendments of 1972 and under the regulations set forth in Chapter 106 of Title 34 of the Code of Federal Regulations ("the federal Title IX regulations"), the District does not unlawfully discriminate on the basis of sex in any education program or activity that the District operates. Title IX's requirement not to discriminate in any education program or activity extends to cover, but is not limited to, District students, certain admissions processes, and

District employment. Inquiries regarding how Title IX and the federal Title IX regulations apply to the District may be referred to a District Title IX Coordinator (as designated below), to the Assistant Secretary for Civil Rights at the U.S. Department of Education, or to both. The District's commitment to nondiscrimination under Title IX and under other state and federal laws is further defined in the following policies of the School Board: Policy 2266

District Title IX Coordinators -

The District employee who holds the position identified below serves as Title IX Coordinator for the District:

Cara Christy
PK-5 Principal/Director of
Pupil Services
801 2nd St. Port Edwards, WI 54469
715-887-9000 Ext: 303
chrisca@pesd.k12.wi.us

Reporting Sex Discrimination-

Any person (including a person who is not claiming to have been personally harmed or victimized by the alleged discrimination) may report a concern or allegation regarding prohibited sex discrimination (including sexual harassment) to the District. Such reports may be submitted as follows:

1. To a district Title IX Coordinator, either in person, by telephone, U.S. mail or electronic mail, using the contact information listed above. In person reports should be made when the Title IX Coordinator is reasonably available during regular working hours. Reports submitted by telephone, mail or electronic mail may be made any time.
2. By any other means that results in a Title IX Coordinator actually receiving the person's verbal or written report.

Filing Formal Complaints of the Title IX Sexual Harassment -

As required by the federal Title IX regulations, the District has established a formal grievance process for the investigating and resolving "formal complaints" of "sexual harassment," as those terms are defined in the regulations.

An individual who is alleged to be the victim of the conduct that could constitute sexual harassment under the federal Title IX regulations (i.e., a Title IX "complainant"), or a parents or guardian who has a legal right to act on behalf of such an individual, may file a formal complaint of sexual harassment. No Title IX

complainant is obligated to file a formal complaint, but a qualifying formal complaint is necessary for the District to start an investigation using the District's formal Title IX grievance process.

Complainants are expected to file formal complaints of sexual harassment with a District Title IX Coordinator by submitting a document or electronic submission in person, by U.S. mail, or by electronic mail, using the contact information specified above.

Additional requirements for formal complaints of Title IX sexual harassment, including a description of the required content for a formal complaint, are set forth in Policy 2266.

District Response to Reports and Complaints of Sex Discrimination and to Formal Complaints of Sexual Harassment under Title IX -

The District has established grievance procedures through which the District structures its response to reports that allege unlawful discrimination on the basis of sex in any education program or activity of the District. Those procedures are set forth by Policies 1422, 3122, 4122 and 2260 as published on the District's website. The purpose of such procedures is to provide for the prompt and equitable resolution of any report or complaint of alleged sex discrimination, excluding formal complaints of sexual harassment under Title IX (which are subject to a different process).

Any time that the District has actual knowledge of sexual harassment or allegations of sexual harassment that could constitute a violation of Title IX, the District has obligations to respond to such knowledge in a manner that is not deliberately indifferent and in a manner that treats the alleged victim(s) of sexual harassment and the alleged perpetrator(s) of sexual harassment equitably. Such a response includes, but is not limited to, offering supportive measures to a complainant and investigating and resolving any formal complaint that presents allegations of Title IX sexual harassment using the formal grievance process that the District has adopted for such formal complaints.

District procedures for responding to alleged sexual harassment under Title IX, including the formal grievance process, are set forth in 2266 as published on the District's website.
