It is the policy of the Port Edwards School District that no person may be denied admission to any public school in the district or be denied participation in, be denied the benefits of, or be discriminated against in any curriculum, co-curricular, pupil service, recreational, career and technical education classes or other program or activity regardless of race, religion, political affiliation, sex or sexual orientation, age, national origin, handicap, pregnancy, marital or parental status, ancestry, color, creed, physical, mental, emotional or learning disability, arrest or conviction record, membership in the National Guard, state defense force or any other reserve component of the military forces of the United States or Wisconsin, or any other reason prohibited by state or federal law.

The district encourages informal resolution of complaints under this policy. A formal complaint resolution procedure is available to address allegations of violations of the policy of the Port Edwards School District.

For assistance, please contact Kyle Cronan, Non-Discrimination Compliance Officer, at 801 Second Street, Port Edwards, WI 54469 or call 715-887-9000, ext. 102.

**Blackhawk Bulletin** is an official publication of the Port Edwards School District, offering news, announcements, and details of upcoming events. The school district welcomes newsletter contributions, comments, questions, and suggestions.

## Administrator Comments

*Submitted by: Kyle Cronan, Superintendent*

Two years ago, schools were shut down across Wisconsin and the country as governments and health services worked to determine how to respond to the COVID-19 pandemic. Since then, we have learned how to safely open school and continue with the important work on education. Here in Port Edwards we reopened in the fall of 2020 and since that time we have primarily functioned in-person safely for a couple of weeks at the middle/high school in the late fall of 2020. At this time, we have worked to return to normal operations as much as possible. We have operated fully in-person this school year and in working with the health department we have now rolled back much of the contact tracing and quarantine guidelines that were in place. Additionally, we have brought back in-person concerts, dances and other events. I know how frustrating the past two years have been at times, I too have been frustrated with the situation. At the beginning of this March, school districts in Wisconsin finally received guidance from the State Department of Health Services on how to conduct a “Test to Stay” program; a program we implemented in December and operated successfully until we were not able to procure the proper testing supplies and had to shut the program down in early January. I guess the phrase better late than never might apply. While it has been frustrating, I am proud of the work our staff has done to keep school functioning and to provide students with an in-person experience. I am grateful for the patience of our school staff and I am grateful to our students as well for their remarkable patience.

On April 5, 2022 the Spring Election will happen in Wisconsin and with that election, the District has three candidates running for two School Board seats. In alphabetical order, the three candidates for the two open seats are Dana Duncan, Kathy McGrath, and Matt Tranel. Thank you to the candidates for your willingness to serve the students of the Port Edwards School District. Additionally, at this time, I would also like to thank Ben Martinson for his service on the School Board since August of 2018 when he filled a vacant seat.

## MIDDLE/HIGH SCHOOL NEWS

Submitted by: Donna Shroda, 6-12 Principal

The third trimester began March 1st. It was a great time for students to change to new classes and set new goals. At home, it might be a great time to check students' supplies such as folders and writing utensils. While we turned back our clocks for daylight savings time, the spring coaches were cheering for more daylight hours and warmer weather for their seasons to begin. Try to make it out to a game/meet and cheer our spring athletes on.

Meanwhile, in the school house other great events are happening! Our last Math League competition is slated for April 6th. Mrs. Martin and Mrs.

Griffith have coached our students to 5th place out of 17 schools. Senior participants are Taylor Martin and Sam Rasmussen; Juniors include Nathan Gibbs, Austin Martinson, and Adam Schraeder; Sophomores competing are Bryce Baumgart, Chase Baumgart, Austin Diggles, Tyler Martinson, and Charlie O'Connor. Freshmen contributing are Brynden Beck, Rayna Dassow, Jason Doebereiner, Bobby Gibbs, and Jeremiah Noble. Good luck mathematicians!

Our High School Forensic Team is traveling to UW Madison to compete at the state level on Saturday April 9th. Chase Baumgart will be competing in Poetry with *'The Love Song of J. Alfred Prufrock'*. A team comprised of Dakota Bares, Charlie O'Connor, Taylor Martin, and Aubree Shroda will compete in the category called play acting with *'My Scale Is Lying to Me'*. Thanks for the great representation!

Mrs. Frizzell engaged three students in a four-day trip to Concordia Language Village in March. With funds from an awarded grant, Mrs. Frizzell traveled six hours to Bemidji, MN with the following Spanish students: Dakota Bares, Emily Frizzell, and Alliyah Ruiz. The students were inspired to immerse themselves in the culture with language, food, arts, and activities in the indoor/outdoor camp. What valuable learning experiences!

Spring means testing in school. Juniors have already completed the ACT test, freshmen and sophomores will take the ACT Aspire, and middle school students will complete the Forward exam. Please read the testing letters that are sent home by the counseling department and help support your child's efforts. Being present on testing dates, a good night's sleep, and a healthy breakfast will help improve your child's scores. We obviously want our kids to demonstrate their knowledge through their testing results.

Keep filling your April and May calendars. Both our middle school and high school choir and band will be filling the gym with music for their final performances of the year on May 16th. Come be entertained! Our high school students will dance the night away at Junior Prom on April 30th. The dance is hosted by the junior class with the help of Ms. Leonhardt, junior class advisor (who has decorating flair). Ms. Moore, senior class advisor, is organizing the traditional Senior Dessert on May 18th. This night showcases the students' accomplishments and scholarships with parents while enjoying the traditional strawberry shortcake dessert. Finally, our culminating event of the year is the graduation celebration which will be held indoors on May 28th at 11:00a.m.

## ELEMENTARY SCHOOL NEWS

*Submitted by: Cara Christy, 4K-5 Principal*

Shakespeare once said, “April hath put a spirit of youth in everything.” Perhaps more appropriately suited for our state, Wisconsin author and columnist Doug Larson wrote, “Spring is when you feel like whistling, even with a shoe full of slush!” Wisconsin springs are definitely unpredictable, and our elementary staff appreciates it when parents dress students appropriately for the weather. This can sometimes mean chilly morning recesses and warm afternoons. We ask that you please send layers (and appropriate shoes for the playground), so students are prepared and can have fun and play!

Regardless of the weather, the April addition of our newsletter is always a happy one to write. This time of year our staff not only thinks about the current school year, but we look ahead to the warmer summer months. We are so excited to once again partner with the South Wood County YMCA this summer to offer some exciting opportunities for our students.

This year, the elementary school will host summer school Monday through Friday, June 6th - June 24th. Doors open as usual at 7:45am for breakfast and summer school begins at 8:30am. We are offering a wide variety of courses at the elementary school in the morning for students ranging from reading and math to chess, clay, cooking, and fishing. After lunch is served, students can choose to be bussed over to the YMCA for swimming lessons, playing in the new aquatic center and adventure pool as well as participating in fitness activities and games in the afternoon from 12:30-3:00pm where their parents can pick up their exhausted kiddos after a long day of fun!

During the days of summer school at the elementary building, we are also serving free breakfast and lunch to all students. Breakfast will be served from 7:45-8:15am and lunch will be served from 11:30-12:00pm during June 6th - June 24th. All Port Edwards students and their siblings up to the age of 18 are welcome to participate.

Have a wonderful spring! We look forward to enjoying this spring with your children here at Ed Heuer Elementary!

## Notes from the Nurse

Submitted by: Katie Bortz, CESA 5 School Nurse

It seems like spring is here to stay! With warmer weather and longer days - now is a great time to get your kids outdoors to play, bike ride or otherwise! Review these myths, facts and safety tips before sending your kids out on their bike!

Myth: My child doesn't need to wear a helmet on short rides around the neighborhood.

Fact: The majority of bike crashes happen near home. Wearing a helmet at all times helps develop good habits.

Myth: It's safer for my child to ride facing traffic.

Fact: Your child should always ride on the right, with traffic. Riding against traffic confuses or surprises drivers.

How should a helmet fit? It should be worn squarely on top of the head, covering the top of the forehead. If it is tipped back it will not protect the forehead. It fits well if it doesn't move around on the head or slide down over the eyes when pulled. Adjust chin strap to fit snugly.

As always, please reach out to the health office staff with any questions, needs or concerns you may have about your students health.

### Covid Corner

We continue to offer both rapid and PCR testing for PESD students, staff and their direct household contacts. Please be in touch with the health office staff to schedule a test if needed. The link for testing registration is below:

<https://www.lifepoint40.com/NOAH/lpi3/?event=PatientPortal:auth.outreach>

## Port Edwards Education Foundation

*The following is the president's letter from the Port Edwards Education Foundation 2021 Annual Report. The report is provided to our current year donors, recent year donors and Blackhawk Scramble participants and sponsors. To view the complete report, contact Board President Corey Searles.*

March 2022

Thank you. Your generosity this past year toward the Port Edwards Education Foundation has been exemplary! Thanks to an enjoyable and successful golf outing and YOUR contributions, we were able to raise \$22,446 last year. While we had fewer grant proposals than in years past, we were pleased to fund six thoughtful and well-written grants.

An early mission statement I came across states that PEEF was being created to fund grants that, "prepare students to lead productive and rewarding lives in a dynamic world through exceptional learning opportunities." That is what we've done in the past, and with your continuing support, plan to do well into the future.

Thanks to your generosity, to the hard-working staff, administration and students of the Port Edwards School District and to the foundation's all-volunteer board for doing - to paraphrase Theodore Roosevelt - what you can, with what you have, where you are, and I would add, doing it well!

Once again, we're looking forward to having you join us for our 16<sup>th</sup> annual Blackhawk golf scramble on June 20, 2022, at Lake Arrowhead's Pines course

Corey Searles  
Port Edwards Education Foundation President

Three Spanish Club members attended a unique weekend camp in March. They, along with Mrs. Frizzell, traveled to Bemidji, MN to attend the Concordia Language Villages Spanish camp. From Thursday evening through Sunday morning, everything at camp is done in Spanish and is connected to Hispanic culture. From delicious food to craft activities, music to history lessons, cooking lessons to siestas—everything has a basis in the culture of Spanish-speaking countries. Even the architecture of the buildings and the candy in the snack bar was cultural! Sophomores Dakota Bares and Alliyah Ruiz, along with Junior Emily Frizzell got the chance to work with camp counselors from Argentina, Mexico, Chile, and Ecuador. They were able to practice conversations, make new friends, and try new foods from Mexico, Honduras, Peru, and Argentina. They even discovered some new favorite foods! The girls spent much of the trip enjoying learning about music & celebrations in various places and doing a lot of dancing! The trip was made possible by a generous grant from PEEF, and all three girls are hoping to attend the camp again in the future, bringing along more classmates to share in the awesome experience.

### **Donate Books to Support United Way's Great Book Giveaway**

We need your help—and your books! Starting April 4th and running through April 22nd, United Way will accept new or gently used children's books to be distributed at nine Great Book Giveaway events in June.

Board books and easy readers are needed most, but any new or used books in good condition will be accepted. Book or monetary donations can be brought to the United Way office at 351 Oak Street in Wisconsin Rapids between 8:30am and 4:00pm any weekday.

The Great Book Giveaway is a fun, annual event that impacts hundreds of youth each year, aligning with the goal of the Youth Success Coalition. Please consider donating to support this initiative, and help close the literacy gap in our community.

Books collected in this drive will be provided to children free of charge—a simple act that can be life changing for the many families who can't afford to purchase books.

For more information on this or any other United Way initiatives & events, contact Ben Eberlein at 715-421-0390 or [ben@uwsvac.org](mailto:ben@uwsvac.org).

B. Next Board Meeting

President Daven reported that the next meeting of the Board of Education will be held on March 9, 2022.

### 6. Administrative Reports

A. Update on 2019 Referendum Progress – Superintendent Cronan

Superintendent Cronan stated that the district is half-way through the referendum and indicated that numerous updates have been completed. Superintendent Cronan stated that the list includes projects completed with both referendum dollars as well as grant funds. Mr. Cronan reviewed the list with the Board of Education. A few of the major projects in the list include: remodel of both the elementary and the middle/high school libraries; art room remodel, asbestos removal, middle school hallway flooring, concrete work; upgrade to camera system; HVAC updates; lighting. It was also reported that the chemistry lab in the high school will be remodeled this summer. Superintendent Cronan stated that the projects completed in the last two and a half years has increased the life of our buildings.

B. Report on CTE Month – Principal Shroda

- Steve Birno

Principal Shroda reported that February is CTE month. Principal Shroda stated that our three CTE instructors, Steve Birno, Marissa Rebischke and Ethan Jensen, continue to strengthen our Career and Technical Education program.

Steven Birno reported that there are a number of CTE courses available to our students in many pathways. Many of the classes are life-long learning and some are for dual-credit which can be taken through Mid-State Technical College. These credits will carry with the student when they move on from John Edwards High School.

C. Annual Audit Report – CliftonLarsonAllen LLP

Amber Danielski, from CliftonLarsonAllen LLP reviewed the annual audit report with the Board of Education.
